

**SPECIAL SECTIONS**

Red Herring produces special reports that cover the most important topics, from the latest in clean tech development, to the hardware that powers the gaming market, to the growing opportunities associated with wireless. Participate in one of these special sections and associate your brand with a media platform that is known to get ahead of the trends, provide informative, cutting-edge reports, and shape the opinions that shape the market.

**THE BENEFITS OF SPONSORSHIP**

- 75,000 paid readers with each edition
- Bonus circulation at select industry events
- Additional online viewership for one year on Redherring.com
- Section reprints for additional marketing visibility
- Discount passes to Red Herring 2007 events
