

The Catholic Church
of Southeastern Wisconsin
A Light in the World

Join Milwaukee Archbishop Timothy M. Dolan as he shares with the faithful of southeastern Wisconsin the goals, vision and priorities of the Archdiocese of Milwaukee

“When those brave souls who worked so hard at the parish planning process and the strategic planning initiative began their efforts, they told me that it would be very important for me as archbishop to ‘share my vision,’ based on the results of the planning processes, with the entire archdiocese,” said Archbishop Dolan. “I invite you to join me for these special gatherings.”

Archbishop Dolan’s presentation will occur within the context of evening prayer, and will allow for questions and interaction.

More information, including driving directions and an electronic form to submit questions, is available at www.archmil.org. To register for a regional gathering, please call (414) 769-3460.
