

YOU
ARE TOO
STUPID

...to make your own food choices. At least according to the food police and government bureaucrats who have proposed "fat taxes" on foods they don't want you to eat. Now the trial lawyers are threatening class-action lawsuits against restaurants for serving America's favorite foods and drinks.

We think they're going too far.

It's your food. It's your drink. It's your freedom.

Find out more about attacks on your favorite foods and drinks at:
