ALL USERS OF THE TRAFFIC ENGINEERING
STANDARD CONSTRUCTION DRAWINGS:

NEW AND REVISED STANDARD DRAWINGS

All future revisions to the Traffic Standard Construction Drawings (SCDs) will include English as well as metric units. To facilitate this conversion a multiple sheet format will be adopted for the drawings. As the drawings are updated, the suffix "M", which was previously used to denote metric SCDs will be dropped from the drawing numbers

Transmitted herewith are the following NEW and REVISED Standard Construction Drawings:
