

ISTE is pleased to provide a Children's Program for the 2006 Meeting!

KiddieCorp is pleased to provide a children's program during the **ISTE 2006 Meeting**. KiddieCorp is in its twentieth year of providing high quality children's programs and youth services to conventions, trade shows and special events. We take watching your children very seriously. KiddieCorp has enjoyed a long-time partnership with the American Academy of Pediatrics, which has helped to establish KiddieCorp as a premier provider of event children's program services.

KiddieCorp will be taking children ages 6 through 16 years old off-site. They will be going to the Reuben H. Fleet Science Center on Wednesday July 5th, and to the U.S.S. Midway Museum & the Maritime Museum Friday July 7th from 8:00am to 4:30pm both days.

The tour program is based out of the San Diego Convention Center. Our staff to child ratio on tour is (1:6). The cost for each tour is \$65.00 per child. This fee includes admission, transportation and lunch. If your child(ren) will be going on tour they must be signed into our care no later than 8:10am to get them ready to leave each morning. The children will depart from the convention center by 8:30am and will have from 9:00am to 4:00pm at each venue. They will return to the convention center by 4:30pm both days.

Space is limited and will be granted on a first-come, first-served basis.
