

ACT 48 Credits for PA NECC Attendees!

For those Pennsylvania educators who still need Act 48 credits to complete the first 5-year cycle (through June 30, 2005), the Pennsylvania Association of Educational Communications and Technology (**PAECT**) is offering Act 48 credits to all attending NECC 2005. Please note that credits, taken prior to July 1, 2005, cannot not be applied to the next cycle.

To obtain your Act 48 credits for general conference sessions, you must sign in and obtain an Act 48 form from either the **NECC Information Booth** or the **PAECT Booth** prior to the first session. Whether you are attending the conference for **ONLY ONE DAY** or **ALL DAYS**, you will need to submit your Act 48 form **AFTER** the **LAST SESSION** each day to the **PAECT Booth**!

To receive your credits you must attend a full day of conference sessions. Credit cannot be provided for individual sessions or partial-day attendance.
