

CAMPUS

MINISTRY

Our staff people are helping to reach the world for Christ. This is accomplished through personal encounters, group strategies and a media plan.

By developing student leadership we seek to influence the leaders of the world for the next generation who will honor Christ and serve Him. From a strong foundation of commitment and experience, our staff people reach students for Christ, train them to be effective in ministry and send them to a needy world with the message of God's love and forgiveness.

"The campus in America is ever changing. In that context, our Campus Ministry is moving toward giving every student every year an opportunity to hear the gospel of Jesus Christ."

—Loren Lillestrand, National Director
Campus Ministry

The heart of our ministry is our people.

Christopher Huber

You and I can make an eternal difference in people's lives.

In 1979 I committed my life to Christ. As I grew in my relationship with God, I realized I needed to invest more of my life in personally taking the message of Christ to a world in need. I am accomplishing this goal through my ministry with Campus Crusade for Christ's Campus Ministry at Sacramento State University. I am a native of Riverside, Calif., and a graduate of Riverside Poly High School. I earned a degree in Business Administration from Humboldt State University in 1985.

As a Campus Crusade staff member I use my gifts and skills to help lead people to Christ and build them in their faith. *I invite you to join me in helping make a difference in people's lives . . . which will last for all eternity.*
