ATR STRONGLY SUPPORTS THE PENCE AMENDMENT TO H.R. 22

Americans for Tax Reform strongly supports Rep. Mike Pence's amendment to H.R. 22, which would remove language from the Postal Accountability and Enhancement Act that would grant a guaranteed seat for labor unions on the Postal Board of Governors.

The USPS is intended to be an independent agency free from the influence of outside interest groups. To guarantee labor unions a seat on the postal governing board would give Big Labor undue influence over the USPS, undoubtedly frustrating essential reforms including cutting the USPS' massive workforce and closing underperforming facilities.

ATR MAY RATE A VOTE FOR THE PENCE AMENDMENT TO H.R. 22 AS A VOTE FOR TAXPAYERS
