****LEGISLATIVE ALERT****

ATR Urges Support for Kind/Flake Amendment May Rate Vote

Americans for Tax Reform urges Members for vote in favor of the Fairness and Food Policy Amendment to HR 2419, the Farm Bill.

The Amendment, proposed by Congressmen Kind and Flake, moves the Farm Bill in a more sensible direction than its current state by capping payments, lowering the adjusted gross income cap from the proposed ridiculous \$1 million for an individual and \$2 million for a family to more sane levels.

While not perfect, the Fairness and Food Policy Amendment will improve a severely flawed bill. Therefore, ATR urges support of the Kind/Flake Amendment and may rate the vote.
