SINGLES – **Frankee** and **Mario Winans** stay put in the top two spots this week, but, in a magnanimous gesture, they allow **Usher's** new single, **Burn**, to debut directly beneath them. Meanwhile, **Spiderbait** still hang on to a top 5 spot dropping to 4 and **Kelis** ain't getting tricked, moving up one spot to join the rest of the Top 5 Club.

No.3 BURN – Usher. This is the second single to be released off the **Confessions** album which has already gone platinum in Australia and peaked at #1 here, in America, New Zealand, the UK and Canada. **Usher** currently holds the #1 and #2 spots in the U.S. Billboard singles chart, with **Burn** and **Confessions Part II** respectively. Here's a little tit-bit for you; did you know that **Usher**, the bling bling king, previously dated **Chilli** from **TLC**?

No.30 TALK ABOUT OUR LOVE – Brandy. After a 2 year hiatus, she is back with the man of the hour **Kayne West**. **Brandy** took a break after her sitcom 'Moesha' failed to captivate audiences. During her time off, in June 2002, **Brandy** gave birth to a beautiful baby girl named **Sy'rai** (pronounced "see-rah") **Iman Smith**. The father is producer **Robert Smith** aka **Big Bert**, whom she secretly married the summer before. Unfortunately for all, things didn't work out and they divorced a year later. Her new album **Afrodisiac** will feature the trials and tribulations of **Brandy's** life.

No.43 DIRTY HEARTS – Dallas Crane. They're the band that **Tim Rogers** immortalised in the **You Am I** song, **Who Put The Devil In You?**, and they're one of Australia's hardest working live acts. After two self-funded albums, **Lent** and the acclaimed **Twenty Four Seven**, 'the crane' signed with **Alberts** and teamed up with producer **Wayne Connolly** on the forthcoming self-titled album. **Dirty Hearts** is the first single off the album, and for a little indie band from Melbourne, who have played at every beer soaked venue across the nation, it's doing pretty well coming in at #43 this week. **Dave**, **Pete**, **Pat** and **Shan**, keep up with the dirty pub rock! And their label manager makes the best vegetable soup.

ALBUMS – If it wasn't for the **Beastie Boys** you could hear a pin drop among the new releases this week. A modicum of gentle jockeying sees **The Corrs** and **Usher** move up a spot or three, while **Mr. Buble** drops a few. **Eskimo Joe**, however, free-fall to #15, as do **Velvet Revolver** who are down to # 14 after last week's #2 debut. Hope you enjoyed your time in the Top 10 lounge gentlemen, please hand your passes to security on your way out. We'd like to welcome back to the Top 100 economy class, **Robbie Williams** (#87), **Fleetwood Mac** (#89) and **Metallica** (#100). Don't break anything. And, finally, this week sees EMI monopolising the Top 3, much as Sony did back in February with **Evanescence**, **Incubus** and **Pete Murray**.

No.2 TO THE 5 BOROUGHS – Beastie Boys. It's been a little over 30 years since the line-up that is the **Beastie Boys**, as we know it now, was consolidated. Members **Mike Diamond**, **Adam Yauch** and **Adam Horovitz** came in for heavy criticism initially, being accused of cultural piracy and clownish, machismo-heavy antics. Like the Phoenix rising from the ashes, they have gone on to become one of the most influential bands in the 90s, combining hard-core punk, rap, hip-hop and funk in a post-modern cornucopia of musical inventiveness. Their chart success has built slowly, starting with **Licensed To Ill** (#62 Mar '87) through to **Hello Nasty**, which gave them a #1 in July '98, as well as 4 other albums and 7 singles in the Top 100. Their new album, **To The 5 Boroughs**, debuts at #2 in both Australia and the UK.

No.21 UP ALL NIGHT – Rob Mills. He had two loves to choose from – footy or singing. After some good, sound parental advice, 'Millsy', as **Rob Mills** is known, chose the latter. At 17 he fronted a band called **Megamen** and he cut his vocal chords on Melbourne's live circuit. Next came an unsuccessful attempt at **Popstars** and then, finally, the break he'd been waiting for – **Australian Idol**. His first single, **Ms Vanity**, debuted at #6 (Jun '04) while his debut album, **Up All Night**, comes in at #21 this week.

No.31 CALL OFF THE SEARCH – Katie Melua. Born in Soviet Georgia, **Katie Melua** and her family moved to Belfast, Ireland before finally settling in London where she attended the record industry-funded, B.R.I.T. School for the Performing Arts & Technology. Upon graduating she caught the attention of songwriter/producer **Mike Batt** who produced and released Melua's debut album, **Call Off The Search**.

No.37 SOUND SHATTERING SOUND – Gyroscope. Perth band, **Gyroscope** have paid their dues with relentless touring since 1997 when they were known as **Gyroscope Sunday**. Since signing with **Festival Mushroom Records** in 2003 they have toured with the likes of **The Living End** and **Blink 182**, among others. **Sound Shattering Sound** is their 3rd album and 1st to chart.
