The Parent Support Group (PSG) plays an important role in supporting many major school events like Bazaar by the Lake, Cross-Country, Mid-Autumn Festival and the School Open House. Many members continue to be actively involved in our school activities even after their children have already graduated from Chung Cheng.

As more and more parents join the family each year, the partnership between the school and PSG grows closer and stronger. With the setting up and running of the i-café as well as the weekly lunch time food sales on Mondays, PSG continues to contribute proactively to the school.

The ever-helpful and committed parents also volunteered to be chaperons for our students during their Singapore Art Museum visits and played judges for the School Talent Time event.

During the COMPASS 10th Anniversary Dinner on 31 October, 6 of our PSG members also put up a Line-Dance performance which further demonstrated the close partnership the school has with the PSG. As a matter of fact, the school was awarded the Partners Award (Merit) in 2008.

Our PSG members are definitely worthy friends of Chung Cheng.
