Dear Madam, Sir,

It is my pleasure to inform you that you will receive, by separate post, a series of three posters in English and French, produced by the World Heritage Centre and relating to three types of World Heritage sites: Industrial Heritage, Cultural Landscapes and Fossil Sites.

I hope that you will find this material useful in promoting the World Heritage Convention and the preservation of sites inscribed in the World Heritage List and would be pleased should you decide to display the posters at exhibits you organise on heritage preservation.

The World Heritage Centre is at your disposal for any questions and would appreciate hearing your suggestions concerning the production of future promotional material on the World Heritage Convention.

Thank you for your kind co-operation in promoting the World Heritage Convention.

Yours sincerely,

Mounir Bouchenaki
Director
World Heritage Centre
