***Here, information
is always growing***

Whether you're growing a corn crop or planting a single cornflower, you'll find a bountiful supply of gardening and landscaping resources in WorldCat.

And because WorldCat grows every 10 seconds, chances are you'll always find the latest and greatest information on these topics.

So plant yourself in a chair and start digging.

Let's get started!

1. Ask a librarian to help you bring up a WorldCat search screen on a library workstation, or visit www.worldcat.org from your computer at home or work.

2. Enter a keyword such as subject, title or a person's name and click **Search**. Click on the title of an item that interests you to learn more about it.

3. Inside the library, you can follow a link to our online catalog to see if the item is available. On worldcat.org, enter your location and click on the name of this library or another nearby library.

Contact your librarian for more information or help.
