

Find what you want in WorldCat

Dig into your roots

We all like to know where we came from. Now you'll know where to start looking.

Right here in WorldCat.

Find genealogy materials in libraries. Access collections of historical societies. Locate resources on how to begin or expand your family tree research. You may be surprised at what you uncover.

GENEALOGY

What you can find

Let's get started!

1. Ask a librarian to help you bring up a WorldCat search screen on a library workstation, or visit www.worldcat.org from your computer at home or work.
2. Enter a keyword such as subject, title or a person's name and click **Search**. Click on the title of an item that interests you to learn more about it.
3. Inside the library, you can follow a link to our online catalog to see if the item is available. On worldcat.org, enter your location and click on the name of this library or another nearby library.
