If music be the food of love...

Play on! At least that's what Shakespeare thought. We think so, too, here at [INSERT LIBRARY NAME]. We've got a ton of musical resources for the budding guitar player, the concert pianist and all levels in between.

How? Through WorldCat. When you use WorldCat.org online or in the library, you can see instantly what materials we have here in [INSERT TOWN/COMMUNITY NAME], and what's available through interlibrary loan.

Music-related materials you might find in our collection or in WorldCat include sheet music for almost every instrument, complete scores from operas and musicals, instructional books for teach-yourself methods and instructor-led training, CDs and DVDs of performances, artist biographies and so much more. There are more than 200,000 musical scores ready and waiting for you—church choir members, organists or hard rockers, all.

Find it in here in this library or around the world, through WorldCat.
