

Find what you want in WorldCat

WorldCat is your home for information

Whether you're buying a house, selling one or starting a career in real estate, do your homework in WorldCat.

Come visit our comprehensive collection of real estate-related resources or narrow your search to more specific areas of interest such as home loans. WorldCat will show you useful Web-based resources, online articles, how-to books and more.

REAL ESTATE

What you can find

- How-to books on buying and selling houses
- Articles on loans and financing
- Links to Web sites on home buying
- Biographies of real estate moguls
- Archives of public records and real estate laws

Let's get started!

1. Ask a librarian to help you bring up a WorldCat search screen on a library workstation, or visit www.worldcat.org from your computer at home or work.
2. Enter a keyword such as subject, title or a person's name and click **Search**. Click on the title of an item that interests you to learn more about it.
3. Inside the library, you can follow a link to our online catalog to see if the item is available. On worldcat.org, enter your location and click on the name of this library or another nearby library.

A librarian can help you use WorldCat or locate the item you want.

WorldCat is the world's largest database of library collections
