DESCRIPTION (should be full enough for use in a variety of publications; cast list must be in order of importance)
 NB: Part or all of this information may be used for EPG purposes.

First part in an exciting new 3 part documentary series exploring the historical significance of the Great Rabbit Wars of 1975.

1. Hopping Mad

The first part looks at the origin of the conflict and explores how new hopping crazes in the rabbit world led to big bunny trouble. Includes interviews with Victoria Schofield and Kay-T.

NARRATED BY: TERRY TRELLIS

Use a separate sheet if necessary, especially to accommodate cast lists. If the cast list should not be shortened from the bottom, please state the reason.
