

The Monroe Community is Preparing for the Fair Days Parade

Saturday, August 28th, 2010

The whole community is looking forward to the annual Fair Days Parade down Main Street. As in the past, traffic in and around the downtown area

will be extremely difficult during and immediately after the parade. There will also be no parking permitted along the parade route and improperly parked vehicles will be towed. Please exercise extra caution during this event and, if possible, avoid driving near downtown during the parade. Parade visitors should park away from Main Street and walk to the parade route.

The parade will follow the traditional route as shown on the map below.

Parade Time
11:00 AM to 1:30 PM

Main St Closed - 178th to Dickinson
8:30 AM to 10:15 AM

Parade Route Closed to Traffic
8:30 AM to 2:00 PM
