RE: CERTIFICATION OF ARRA INFRASTRUCTURE INVESTMENT; BAKER COUNTY, FLORIDA

Dear Mr. Wilder:

I hereby certify that the following described infrastructure investment has received the full review and vetting required by law and I accept responsibility that the infrastructure investment is an appropriate use of taxpayer dollars.

DESCRIPTION OF INVESTMENT

The Baker County Board of County Commissioners will utilize America Recovery and Reinvestment Act (ARRA) funding to renovate and remodel the existing 28-year old jail in order to continue to provide correctional services at the facility. The roof, plumbing, electrical, heating, air conditioning and ventilation systems and detention area doors will be replaced and/or renovated to bring the jail to current building and correctional standards:

Roof replacement (Labor; removal of existing gutters, downspouts, gable trim, wall flashing, ridge vent, ridge cap and disposal; installation of new 18 Ga. bent metal @ perimeter and ridge, new roof hugger system, new roof edge metal, new gable trim, new gutter, new downspouts, new base and counter flashing, new coping metal, new pipe flashing, raise and flash existing equipment curbs, and new Ga. Kynar finish standing seam metal roof system with concealed fasteners; engineering services; and 20 year warranty which is included in installation) = \$205,000.00

Security enhancements (Labor; removal of existing defective detention locks and doors; and installation of new detention locks and doors) = \$75,000.00
